CONDITIONS ATTACHED TO THIS AUTHORISATION

1. Each consignment must be accompanied by
 - a. a health certificate signed by an official veterinarian/inspector of the country of origin using the model certificate laid down in EU legislation for that POAO; and
 - b. a declaration signed by the manufacturer of the capsules confirming that the gelatine capsules do not contain and are not derived from Specified Risk Material as defined in Annex IX of Regulation (EC) No 999/2001 and based on the BSE status of the country of origin of the gelatine in accordance with Commission Decision 2007/453/EC. The declaration must have been signed no more than one month before the date of despatch.
2. Gelatine capsules must comply with the relevant provisions set down in Regulation (EC) No 178/2002, laying down the general principles and requirements of food law and laying down procedures in matters of food safety.
3. Each consignment must be subjected to veterinary checks at a border inspection post (BIP). Importers are required to pre-notify the border inspection post of the arrival of the consignment, present the consignment for checking and in some cases provide certain guarantees.

A list of Border Inspection Posts is available on the European Commission's website:
